

2021 ESSER III Use of Funds

The district had public comment section at our August school board meeting. We also sent out survey to all staff, parents/guardians asking for suggestions on how to spend money. Our district sent out 150 surveys. We also held a meeting with our school staff at our in-service day in August. Staff was in agreement to get new science curriculum, air conditioning in gym, and a new bus to allow for social distancing.

The decision was made to purchase the following:

- New science curriculum
- Air conditioning in gym-for indoor air quality
- New bus
