St. Edward Stories

Printed by
The St. Edward Beaver Crew

We are entering our third week of our second quarter. We have had the opportunity to enjoy some fall weather, and winter will be upon us soon. I would like to take this opportunity to thank our elementary parents for your attention to safety and for helping make student drop-off and pick-up run smoothly each day. Please use extra caution when dropping off and picking up students, especially during inclement weather, to avoid unnecessary congestion and compromising the safety of our students. It may sometimes seem more convenient to take "shortcuts" during this process, but doing so may place children and adults in less safe situations.

I would like to share again this month some important winter information that I shared in October. When the wind chill factor is 20 degrees Fahrenheit or below, students will be required to enter the building upon arrival at school, prior to the 7:55 a.m. entry bell. Students will wait in an orderly manner until they are allowed to enter their classrooms. Students who participate in the breakfast program will eat breakfast and remain seated in the cafeteria until it is time to enter their classrooms.

This procedure also applies to mornings when it is raining and/or snowing. We have already experienced a few of these mornings. When these conditions occur, we will post a flag near the elementary entry door to inform parents and students that they should go directly into the building.

When we experience inclement weather severe enough to cause a late start or school closure, we will make the announcement through the district's PowerSchool Messenger Mass Notification System. This is one of our most efficient ways to communicate with families. Please make sure you are able to receive these messages. If you have questions about the notification system, please contact the office for assistance. We will also utilize local radio and television stations to communicate any changes to the school schedule.

As always, there are some November dates to note on the school calendar for planning purposes. November 4 is a 10:00 late start for staff in-service activities. There will be no school on November 25, 26, and 27 due to the Thanksgiving holiday. This time will allow everyone to enjoy time with family, relax, and have an enjoyable and rewarding holiday.

Our fall activities are now in the books for the 2026 seasons. Congratulations to our coaches and participants for their success and the learning experiences they encountered throughout the fall seasons. Junior high boys' wrestling and junior high girls' basketball seasons are underway. High school winter practices will officially begin on Monday, November 16, with games soon to follow. I look forward to seeing our players, coaches, and spectators represent St. Edward Public Schools and the NGSE Cooperative with a great competitive spirit while displaying excellent sportsmanship.

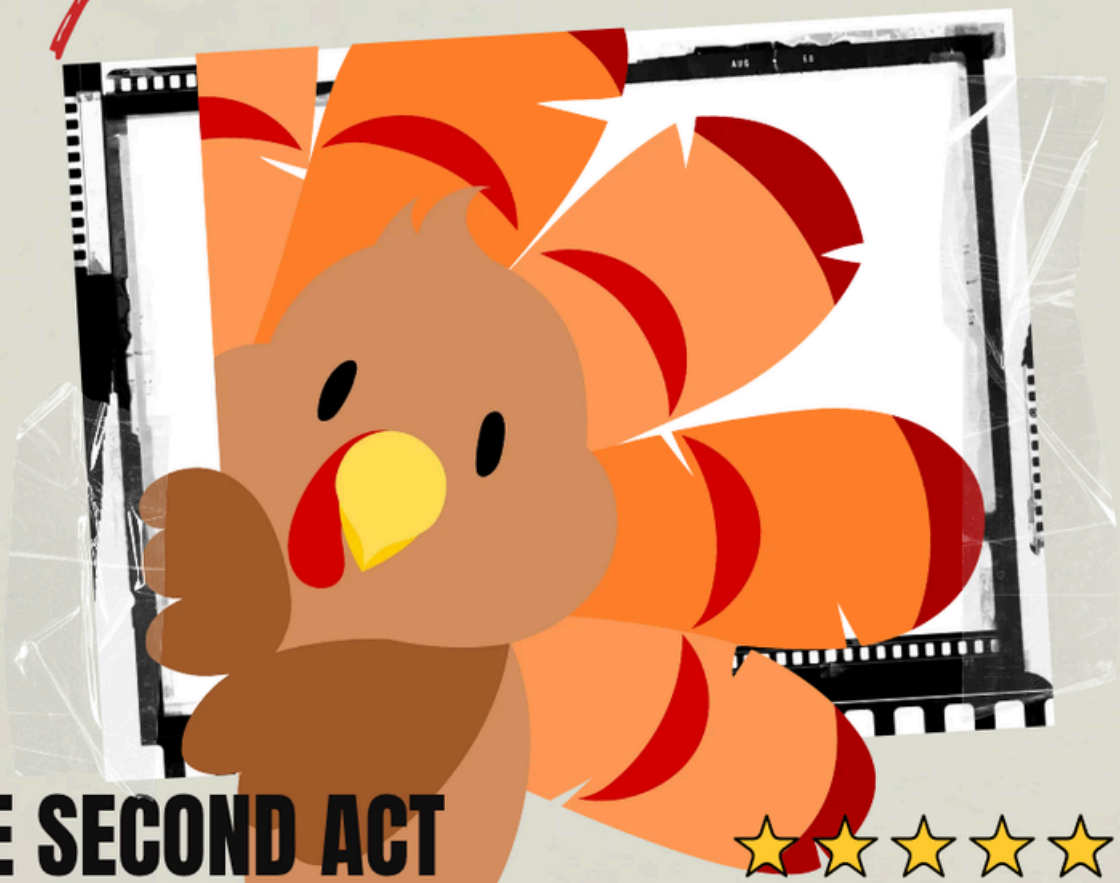

Let's all work together to remember: Let the players play, let the coaches coach, let the officials officiate, and let the spectators be positive!

In closing, please remember to turn your clocks back one hour on November 1 as daylight saving time comes to an end. Thank you for your time, and let's make November 2026 a great month!

From the Superintendent's Desk

Mr. Roscoe's Review

THE SECOND ACT

★★★★★

St. Edward Public School

St. Edward | Documentary | November 2026

The curtain has closed on the 1st Act (1st Quarter) of the school year. It has been a busy first couple of months here in Beaver Nation. Fall sports have come to a close with the high school football season wrapped up on October 23rd and the high school volleyball season concluded on October 26th. Activities have been in full swing with FFA and FCCLA both attending events like livestock judging, land judging, and leadership conferences. One Act has begun practice and will soon be looking to compete at meets, vying for a trip to state in Norfolk. At the end of October, the students that made the D.E.A.R. incentive were able to participate in that activity to celebrate their hardwork and reading achievements. The days may be getting shorter but the staff and students are still plugging away in the classrooms. Students have been excited about the Lunch Pail Award and it has been a positive impact on the culture here at the school. As the school continues the turkey trot to Thanksgiving break, we will continue to push ourselves to continue to grow and strive for excellence and achievement. Thank you all and have a Happy Thanksgiving at the end of the month!

The 2026 NG/SE Youth Volleyball teams competed in the Columbus Family YMCA Youth Volleyball League this fall. The 3rd/4th grade, 4th grade, and 6th grade teams won 2 of 8 games and the 5th grade team won 4 of 8 games. Each team competed against teams from Humphrey, Lindsay, Columbus, David City, and Columbus Lakeview. All 4 teams played hard and improved a great deal this season! The teams are coached by Lindsay Tenski, Anna Korth, Mandy Scott, and Kristin Nelson. Not pictured...the NG/SE 6th grade team.

Thank You PTO for providing an Apple Bar for staff during their in-service workday! PTO also provided supper to staff during Parent-Teacher Conferences! Thank You to those that purchased gear from the PTO online store!

Mrs. Tenski's Digital Art students have started their Photography unit. The class explored different areas near and around St. Edward to capture a variety of photographs to use for projects. Their first project was to create black and white photographs of one of their favorite photos they took.

2/11	Battle Creek	4:00 PM

End of the 1st Quarter seems to be a litter harder on some students than others...

Class of the Week!!
Our 5th graders are being recognized this week! Our staff caught them using their manners in line, being quiet and in a line outside during the fire drill with our high school, and being quiet and respectful at lunch! Way to shine, Grade 5!

Beaver Pride-Citizenship

Big Congratulations to our amazing 2nd grade class for earning class of the week last week. Thank you for your hard work and setting a great example for others. We are proud of you! Keep shining bright, 2nd graders!

Student Success!

For the 7th-12th grade students, the theme of the school year is, “Grab Your Lunch Pail, and Get to Work.” This mentality is for the students to put all their effort into succeeding in the classroom, but also in the community as outstanding citizens. Throughout the year, one student each week will be awarded the “Lunch Pail” for showcasing the values, traits, and work ethic that SEHS holds dear. These students are showcasing what it means to be a St. Edward Beaver and continue to grow our culture.

Before the 1st quarter ends, we have one more Lunch Pail Winner. This past week’s winner was Junior Triton Sindelar! He has shown really great leadership in the welding shop, is never afraid to help a classmate and wants everyone to be their best. He also does every thing asked of him and has been very respectful. Congratulations Triton!
#GrabYourLunchPail

Student Success!

A huge shout out to our incredible 1st graders for being named Class of the Week! These bright young learners have been working hard, showing kindness and walking quietly in the hallway! We are proud of the great choices you are making! Keep shining bright, 1st grade!

This week our class of the week is the 3rd Grade!! They were caught standing nicely before lunch, and being polite listeners during Character Education. Another great job of being safe, responsible, and respectful! Congratulations 3rd grade!!

Beaver Nation! Another week down, means another Lunch Pail Winner to announce! This past week's winner was 8th grader Marley Roberts!! Marley has been putting in the study skills for tests and has been leaving notes of encouragement for peers and teachers! Congratulations Marley!

St. Edward sophomores attended the annual Northeast Nebraska Career Day on October 20 at Wayne State College, presented by the University of Nebraska Extension Office. Students had the opportunity to explore a variety of career paths, hear from presenters, and learn more about the skills and preparation needed for future success. Throughout the day, students participated in career sessions and breakout sessions covering topics such as preparing a résumé, exploring college options, artificial intelligence, careers in agriculture, financial skills, and finding a career that fits their interests. This experience helped students connect their interests and strengths to future opportunities while encouraging them to begin thinking about life after high school. Thank you to the University of Nebraska Extension Office and all the presenters who helped make this valuable learning experience possible!

MRS. MACDONALD'S JUNIOR ENGLISH CLASS HAS BEEN READING THE THINGS THEY CARRIED BY TIM O'BRIEN. IT IS ABOUT THE VIETNAM WAR. LATER THIS YEAR THE SENIOR ENGLISH CLASS WILL ALSO BE READING IT. THIS PAST MONTH, DENNIS MOTTL FROM FULLERTON CAME AND SPOKE TO THE COMBINED JUNIOR ENGLISH CLASS AND SENIOR AMERICAN GOVERNMENT CLASSES ABOUT HIS EXPERIENCE IN VIETNAM. A CLASS PERIOD WAS NOT ENOUGH TIME FOR HIM TO IMPART ALL HIS WISDOM, BUT THE STUDENTS ATTENTIVELY LISTENED AND ASKED TO HAVE HIM BACK --SO HE RETURNED FOR ANOTHER LISTEN, LEARN, AND ASK SESSION!

WELCOME TO 2ND QUARTER AND THE SLOW CRAWL TO CHRISTMAS BREAK! WITH THAT, WE WANT TO SHOWCASE THE LUNCH PAIL AWARD WINNER FOR LAST WEEK! THIS PAST WEEK, SENIOR ARLETTE IRINEO WAS CHOSEN!! ARLETTE WAS CHOSEN FOR HER POSITIVE ATTITUDE, COMING TO CLASS PREPARED, AND HER WILLINGNESS TO WORK WITH HER CLASSMATES! CONGRATULATIONS ARLETTE!!

The Nebraska School Activities Association (NSAA) and Currency are proud to announce the 2026-27 Believers & Achievers Local Winners. Believers & Achievers is a statewide awards program designed to give recognition to Nebraska's future leaders. The program honors high school Seniors in Nebraska for their excellence in academics, participation in NSAA activities and their commitment to citizenship, school involvement and their community.

This year's St. Edward High School Believers & Achievers Local Winners are:
Ryder Beekman
Arlette Irineo Gallardo
Kalvin Sindelar
Katelyn Werts

Please join us in congratulating these St. Edward Seniors on this well-deserved recognition!
For a full list of winners please go to NSAA's website!

Beavers Achieve More!

Which teacher or staff member had the biggest impact on you? Why?

Mrs. MacDonald--Mrs. Mac has meant a lot to me with speech and reading. She has been someone that I can always talk to and be real with.

What extracurricular activity are you most proud of participating in? Why?

Speech--I have two NSAA state medals with speech and plenty of medals with a lot of other meets, along with going to NIETOC (nationals).

Which peers or friends had really positive influences on you?*

I would say that everyone in my class have helped make up who I am and helped me grow in many ways.

KALVIN SINDELAR

What are you most excited about in this next phase of your life?

I am most excited about going to college.

Is there a new skill you're eager to learn or a hobby you want to explore?

I would love to learn how to backflip.

What's your favorite book or movie? Why does it resonate with you?

My favorite book that I have read is Survivor by Chuck Palahniuk. It was a very bizarre and fun book that has stuck with me and it also takes place in Nebraska.

If you could have any superpower, what would it be and how would you use it?

I would want to know everything because then I could know how to have every power and to solve every problem.

What's the one piece of life advice you wish someone had given you sooner?

Mistakes aren't something to be ashamed of, they are something to grow from.

How do you deal with academic pressure? What was your biggest challenge in high school, and how did you overcome it? How do you balance school, extracurriculars, and social life?

I deal with academic pressure by working harder. My biggest challenge in high school was the workload I had junior year, and to overcome that I just kept on keeping on. I balance school, extracurriculars, and social life by leaving time for each and trying to keep them separate as best as I can.

Which teacher or staff member had the biggest impact on you? Why?
Mr. Stark had the biggest impact on me because we have shared interests and that got me to be more involved and interested in class.

What extracurricular activity are you most proud of participating in? Why?
Cross Country is the extracurricular I am most proud of because I decided that I like to run and I want to do well and I have seen myself improve.

Which peers or friends had really positive influences on you?*
My classmates, Kalvin especially, and Zaiden have helped me improve myself.

NOAH KETELSEN

What are you most excited about in this next phase of your life?
I am excited to try new things and explore life.

Is there a new skill you're eager to learn or a hobby you want to explore?
I would like to try rock climbing or hiking.

What's your favorite book or movie? Why does it resonate with you?
My favorite movie is McFarland USA

If you could have any superpower, what would it be and how would you use it?
I think that I would choose not needing to sleep because that would free up so much time to read or do other things but probably read.

What's the one piece of life advice you wish someone had given you sooner?
It is okay to admit when you do not know something or when you are wrong.

How do you deal with academic pressure? What was your biggest challenge in high school, and how did you overcome it? How do you balance school, extracurriculars, and social life?
I procrastinate a lot which is a very bad way to deal with academic pressure. My biggest challenge in high school is trying to figure out what I am going to do with the rest of my life. Graduation always felt so far away so I did not put as much thought into it as I should have. I do my school work at school and any leftover work at home after practice. I do not have much of a social life outside of school.

NEBRASKA COLLEGE COSTS

This chart shows 2026-27 costs to attend a college in Nebraska. Colleges use these amounts (Cost of Education) and your FAFSA results to award financial aid.

ACT Information

Currently, the ACT is used as a college entrance exam and academic honors for graduating seniors, as well as for NSCAS State testing for Juniors in March. Taking the ACT can increase your chances of earning new or better scholarships. Your ACT score can help you place out of remedial coursework rather than sitting for additional placement tests on campus — saving time and money! Fee waiver or reimbursement is available for students. Many colleges require early scholarship information, including ACT results. **Seniors, check with your college to find out if they will accept the Dec. or Feb. score as a final for scholarship consideration. St. Paul School Code is 282075.**

ACT

John Baylor Test Prep

Any St. Paul student may sign up for the Live! Online John Baylor Class that is offered prior to each National ACT Test Date and the state NSCAS test in March. The cost of the class for St. Paul students is $100 (financial hardship will waive the $100). There are also self-paced modules that students can access at any time. CCC prep class is also available. Contact Ms. Camden for info.

Athletic Reminders and Information

In an effort to increase the fan support at home games, SE and NG is offering FREE STUDENT ATTENDANCE at ALL HOME GAMES–WITH A PAYING ADULT–All student admission is free!! (ALL STUDENTS 6th grade and younger must be accompinied by an adult at all times.) (Excluding tournament and school plays)
Students will have to pay at away games!

Season passes are available through the office! Passes are $70 for one individual–for the WINTER SEASON!
Adult Admission is $6–our home gate and the concession stands is CASH ONLY! (checks accepted!)

Please bring your kids to games, support our teams, and the concession stand! We appreciate your support and attendance at all school activities!

HOME games/events will be streamed on our HUDL channel
https://fan.hudl.com/usa/ne/saint-edward/organization/105720/st-edwardscho-high-school

Many away games will be streamed as well! Visit the opponents website or social media account for their streaming information.

SENDING LOVE TO MEN WHO..
ARE STRUGGLING MENTALLY
SUFFER WITH SUICIDAL THOUGHTS
ARE SCARED TO SPEAK UP
ARE IN THERAPY
ARE FEELING ALONE
FEEL DISMISSED BY SOCIETY
#MENS HEALTH MONTH

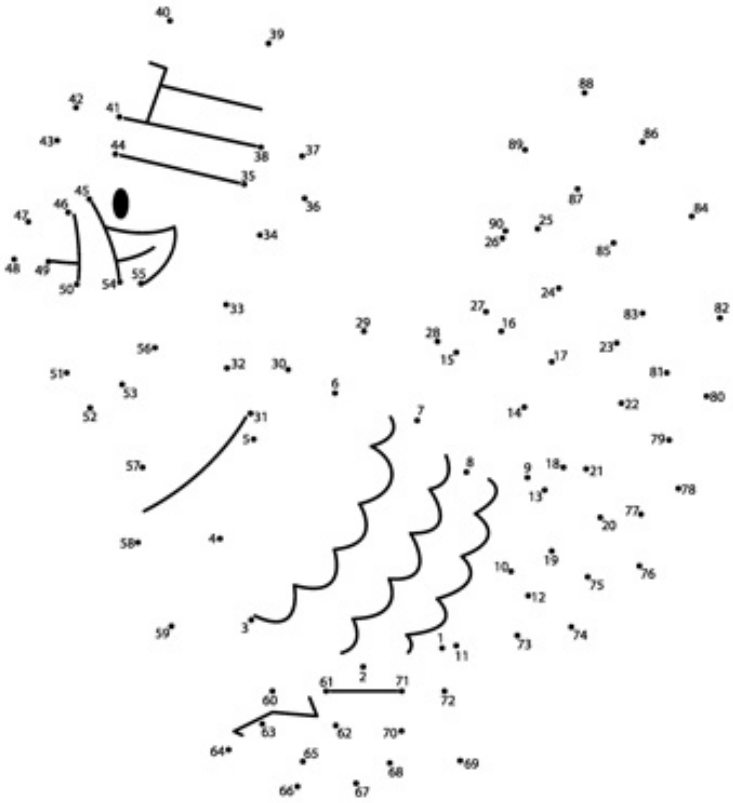

MENTAL WELLNESS TIPS
IN HONOR OF MEN'S HEALTH AWARENESS MONTH
TAKE A DEEP BREATH
When you inhale, your diaphragm should expand. When you exhale, your diaphragm should fall. This will help your mind and emotions feel more connected to your body, helping ground your thoughts.
RELAX THOSE MUSCLES
Choose a muscle group (try your biceps first) and flex as hard as you can for 5-10 seconds then release the tension. Practice the same flex and release method with muscle groups throughout your body. This causes relaxation to be felt on a spectrum – going from one extreme to the other can help you feel more in control of your body and emotions.
WRITE IT OUT
This is an effective way to express yourself and can help you better understand your emotions. Consider this your first step towards sharing your thoughts with others. Speaking up can be difficult but writing a letter or email can be the gateway to having open and meaningful conversations.
VERDESFOUNDATION.ORG

What Is No-Shave November?
It's more than just skipping the razor.
Purpose
Raise awareness about cancer and honor those who lose hair during treatment.
Action
Participants let their hair grow naturally and donate saved grooming costs to cancer research.
Symbolism
A simple act that symbolizes empathy, solidarity, & hope.

No-Shave November
Isn't Just for Men
Women can participate too
Breaking Norms
Choosing not to shave or wax is a bold act of self-expression.
Body Positivity
It's about comfort, choice, and confidence - not rules.
Solidarity
Every woman who joins helps challenge stereotypes and support those fighting cancer.

men's mental health
men cry
men have PANIC ATTACKS
men have INSECURITIES
men SELF-HARM
men have EATING DISORDERS
men GO to THERAPY
men have TRAUMA
men have BODY IMAGE ISSUES
men are ABUSED
men DESERVE SUPPORT
men FEEL things
men need Love & care

Criminal Justice in Action Day

A few St. Edward students recently traveled to Central Community College's Grand Island Campus to participate in Criminal Justice in Action Day! Students had the opportunity to explore the field of criminal justice through hands-on activities and learn more about the many career paths available in this exciting field.

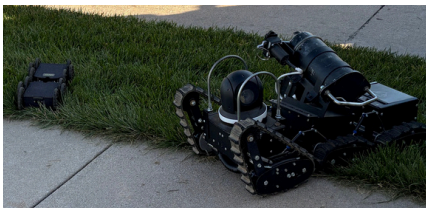

The event gave students a firsthand look at what it's like to pursue criminal justice after high school and helped them connect their interests to potential future careers. We are proud of our students for taking advantage of this opportunity to explore, learn, and think about their future!

Thank you to Central Community College for hosting our students and providing such a valuable career exploration experience!

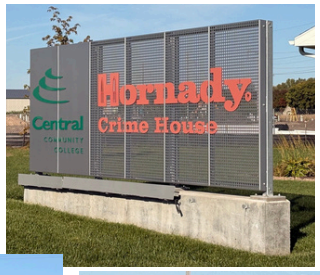

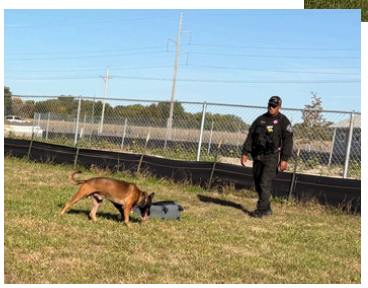

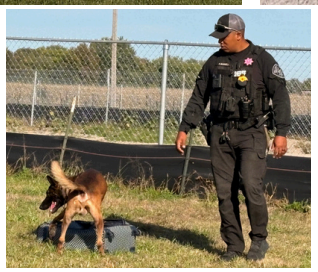

COPS Day Career Exploration

Three St. Edward students attended COPS Day (Career Opportunities & Professions Seminar) at Northeast Community College on October 1! Students explored careers in criminal justice, law enforcement, and corrections while hearing from professionals from agencies such as the DEA, U.S. Marshals Service, and Federal Probation. While no scholarships came home with our students, it was a great day of career exploration, learning, and new opportunities!
